

SIDDHANT SACHIN TILAK

+91 8830232888 ◇ siddhantwork78@gmail.com ◇ LinkedIn GitHub

SUMMARY

Full-stack developer with a strong foundation in data-driven problem-solving and scalable application development. Experienced in building applications using MERN stack and proficient in Python, Pandas, NumPy, and machine learning models. Skilled in JavaScript and data structures with a focus on clean, efficient code, with hands-on experience integrating ML models into real-world applications.

TECHNICAL SKILLS

Languages: JavaScript, Python

Web Development: MERN Stack (MongoDB, Express.js, React.js, Node.js)

Data Science: Pandas, NumPy, Machine Learning

Core Concepts: Data Structures & Algorithms, OOPs

Tools: Git, GitHub

WORK EXPERIENCE

Web Development Intern — GMMSP

May 2024 – Jul 2024

- Contributed to the development of responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.
- Collaborated on backend integration using Python (Flask/Django) for dynamic data handling and seamless functionality.

Data Science Intern — TechnoHacks

Jun 2025 – Aug 2025

- Analyzed and processed datasets using Python to generate accurate insights.
- Built ML and NLP models for predictive analysis and data-driven decision-making.

PROJECTS

Garbage Management System

- Developed a community-driven web platform using HTML, CSS, JavaScript, and Python (Django/Flask) for waste registration and tracking.
- Enabled efficient waste management workflows and promoted sustainable disposal practices through a user-friendly interface.

CareXpertAI – Intelligent Healthcare Diagnostic Platform

Jan 2026 – Present

- Built a full-stack healthcare platform using MERN stack with FastAPI (Python) for AI/ML integration.
- Developed Random Forest models for predictive diagnostics and real-time health insights.
- Implemented appointment system and integrated Google Maps API for accessible healthcare services.
- Enhanced UX with AI-driven insights, voice assistance, and automated reporting.

EDUCATION

Bachelor of Technology in Computational Science

2022 - 2026

D. Y. Patil International University, Pune

ADDITIONAL ACTIVITIES

- Certifications:** Generative AI (Outskills), SQL & Power BI, Python (Ethans)
